

REMARKS

The Office Action mailed October 5, 2005 contained a restriction requirement that alleged claims 1-9 were drawn to a non-woven fabric filter and a process for fabricating a non-woven fabric filter, and that claims 10-11 were drawn to a wastewater treatment process with activated sludge. Applicants have elected to pursue prosecution of claims 1-9, and have canceled claims 10-11.

Applicants reserve the right to pursue claims 10-11 in a divisional application.

No fee is believed to be due in connection with this amendment and response. If, however, any fee is deemed to be payable, you are hereby authorized to charge any such fee to Deposit Account No. 20-0778.

Respectfully submitted,
